PSIC Office Plan Overview

- As a companion document to the SCIP, the PSIC Office developed a PSIC Office Plan. The current SCIP was approved by PSCC on April 19, 2011.
- The Plan describes how the PSIC Office and its staff will operate to advance the SCIP and communications interoperability.
- The PSIC Office Plan divides staff activities into five areas:
 1. Serve as Arizona's Interoperability Representative
 2. Advancing Arizona's SCIP
 3. Supporting Funding & Preparing Reports
 4. Logistics & Operations
 5. Stakeholder Engagement & Interactions

Updated Plan - Major Changes

- Shift from Calendar Year to State Fiscal Year (July 1, 2011 to June 30, 2012)
- Document merger of GITA into Arizona Department of Administration (ADOA)
 - PSIC will operate within the Arizona Strategic Enterprise Technology (ASET) Office within ADOA
- Revision to Key Functions:
 - Simplify and shorten language in all sections
 - “Planning and Consulting” Function became “Advancing Arizona’s SCIP” Function
 - “Funding & Reporting” Function became “Supporting Funding & Preparing Reports”
- Adds (6.0) Highlights of Key PSIC Projects to advance AZ’s SCIP
